

Melomed Tokai TAVI Centre – Now Certified!

Melomed Tokai Hospital proudly announces the certification of its Transcatheter Aortic Valve Implantation (TAVI) Centre, reinforcing our commitment to world-class cardiac care. As the only 24-hour Heart Centre in the Southern Suburbs of Cape Town, we offer advanced, minimally invasive heart procedures led by a highly skilled team of specialists.

The Melomed Heart Team is spearheaded by Interventional Cardiologists Dr. Patric Ntuli, with expert surgical support from Cardio-Thoracic Surgeon Dr. Zeead Karani. This esteemed team now performs TAVI, a groundbreaking procedure designed for patients with severe aortic stenosis, providing a safer alternative to open-heart surgery with faster recovery times and improved outcomes.

As the only Interventional Cardiology Centre in the Southern Suburbs, Melomed Tokai remains at the forefront of cardiovascular innovation, ensuring that life-saving heart procedures are available when they matter most.

For more information, contact Melomed Tokai Hospital on 021 764 7500, your 24-hour Heart Centre or visit www.melomed.co.za.
