

Notice of Passing

It is with deep sadness that we share the passing of Dr Achmat Davids, our esteemed Obstetrician and Gynaecologist, who served the Melomed Group with dedication and distinction for more than three decades.

Dr Davids, together with his colleagues in the Jeeva, Khamissa and Davids partnership, became a pillar of women's healthcare at both Melomed Mitchells Plain and Melomed Gatesville. He was not only a highly skilled clinician, but also a compassionate doctor who touched the lives of countless patients and their families.

He was deeply respected within the medical fraternity and beloved by the communities he so faithfully served. His calm presence, professionalism and unwavering commitment to patient care will be remembered and cherished. The Melomed family mourns this great loss alongside his colleagues, patients, friends and community. Our heartfelt thoughts and prayers are with his family and loved ones during this difficult time.

Dr Davids' legacy of exceptional service and humanity will live on in the many lives he helped bring into this world and the countless people he cared for with dignity and compassion.

He will be sorely missed by all. May his soul rest in peace.

**With deepest sympathy
The Melomed Directors, Executives, Management and Staff**
